

2025 LRCA RODEO SCHEDULE

Finals Qualifications Timed Events 8 first approved rodeos top 12 in standings; Rough Stock-5 first approved rodeos top 10 in BB/SB-top 12 in BR.-RODEO COUNT WILL BE STRICTLY ADHERED TO FOR FINALS QUALIFICATIONS

Clarification for contestants entering slack- Contractors have the option to have contestants drawn into performances from the slack to fill their performances. If their performances are not full, with the number they set on the contract, they do not have to take slack. Filling performances will be done by random draw from all contestants entered in the slack. If you entered as slack or out and get drawn into either performance, before being automatically drawn out, you will be notified and allowed an opportunity to find someone to take the performance spot. If you do not find someone to take the performance spot, you will be drawn out and another entry will be drawn into the performance spot. Once contractors are good with performance numbers in the event, then positions will be randomly drawn for that event.
